Safe, Appropriate, Friendly, Educational

It is not an add on to the curriculum just a way to keep internet safety at the forefront of everyone’s mind, immersing the children and parents little by little. The footprint logo will be added to our letter footer, all children and staff will get postcards to take home.

More information will follow in the coming weeks.

UNICEF: We have recently developed a UNICEF suggestion box designed by the children linked to the Rights of the Child. They have sorted the suggestions into two piles and shared the reasonable suggestions with Mrs Statham this week. They prioritised the suggestions and had a meeting together to then plan to action them
Article 12 Every child has the right to have a say in all matters affecting them, and to have their views taken seriously.
