Inspire Believe Learn

13th July 2026

Dear Parents/Carers

End of Year Reports will be sent out today digitally

We are launching a new report format this year from our Assessment system called Insight. The report is completed digitally with the teachers input, attendance is linked electronically and the report is sent out via email. Most schools in our Trust are now using the same approach.

You will receive any results from statutory tests are also included in the report.

This new process securely sends the report as a secure link directly to the registered email address of the parent/parents.

Staff can track the delivery of the reports through checking the status to see if each report has been received and opened.

The email you receive as a parent will ask you for the child's DOB to open the report.

Paper copies are available on request

As usual you will be able to send in your comments - please do this via the school email camslane@bury.gov.uk

We hope all reports Rec – Y5 will land with you today but they will be in a queue and technical issues may mean they could be a delay – hopefully they will be instant!

The delayed Y6 Reports will be out on 16th July

We hope there will be no technical difficulties with our new digital system – any queries or questions please contact myself or Miss Partington.

Many thanks,

Mrs .Statham

Head Teacher
