Overview

The Pupil Premium grant (PPG) was introduced in April 2011, and paid by means of a specific grant based on one school census figures for pupils in Reception to Year 6. The Pupil Premium is additional to main school funding and it will be used by this school to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

Pupils eligible for the PPG area as follows:

- Registered currently for Free School Meals (FSM)
- Registered in the last 6 years as FSM.
- Children Looked After Children (CLA)
- Children whose parents currently serve in Armed Forces

Objectives

1. The Pupil Premium will be used to provide additional support to improve the progress and to raise the standard of achievement for these pupils
2. The funding will be used to narrow and close the gap between the achievement of these pupils and their peers
3. It also addresses the crucial element of emotional well being and mental health of each pupil and also the social well being of these pupils.
4. As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupils Premium and others
5. We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

Strategies

1. Pupil Premium Grant will be clearly identifiable within the budget
2. The headteacher and PPG Leader, in consultation with the governors and staff, will decide how the Pupil Premium is spent for the benefit of entitled pupils
3. The school will assess what additional provision should be made for the individual pupils and produce the PPG Strategy each year as part of a three year PPG plan.
4. The school will be accountable for how it has used the additional funding to support the achievement of those pupils covered by the Pupil Premium and the headteacher will report to the governing body and parents on how effective the intervention has been in achieving its aims.
5. We publish online, on the school website our PPG Strategy each year with a review.
6. We will ensure that parents, governors and others are made fully aware of the attainment of pupils covered by the Premium.
7. We will seek to further develop strategies and interventions which can improve the progress and attainment of these pupils.

8. We will track the impact of the strategies put into place through the funding to ensure that we can show the value that has been added to the education of the entitled children.
9. We will monitor evaluate and review the success of the impact of the pupil premium funding.

Outcomes

This policy will play an important part in the educational development of the individual pupils who are entitled to the Pupil Premium. We will ensure that these pupils are treated equally and as favourably as others and that the additional funding is used well to address the challenges they face. The school will use the additional funding to promote the achievement and progress of all entitled pupils. Through wise use of this additional funding we are fully committed to ensuring that the individual needs of each entitled child are met. As a result of the additional funding, these children will make better progress and achieve higher standards that would have been likely without it.
