Feedback Form for Parents Evening – November 2026

The first Parents Evening of this academic year we are having is on Monday 9th November 2026.

These will be 5 minute appointments to discuss how well your child has settled in

The feedback form will come to you on the Friday before so you will have some idea about your child's effort and learning skills. You will notice we are not yet reporting Attainment to you as this is all about settling in.

Some changes:

Up to date information about your child's attainment will correlate with the schools Assessment Week in December at the end of the term. You will then receive a "Report Card" in the first week in January with attainment on detailing their achievement in the first term. Early in January there will be a Drop In session for parents if you want to discuss any concerns re your child's attainment – any drop in session will be for 5 mins. This will not be a scheduled event like Parents Evening – more details will follow

The next Parents Evening will be in April 2027 which will focus on all areas for your child

We hope these changes will offer parents different opportunities and accurate information.

Kind regards

Mrs Statham
