12th July 2024 Issue 37

School finishes for the summer holidays on Friday 19th July – school closes at 2pm – please remember there is no TCs after school on this Friday

End of Year Reports: These will come home on Monday 15th July.

Year 6 SATs results: We have now had the KS2 results – we are very pleased and proud of all the year 6 pupils – they did very well. Written results will be attached with their end of year report.

Sports Festival: So sorry this had to be cancelled! The field was completely wet through from all the downpours. We were able to have some fun races with each individual class though in between the showers and horrible weather on the playground. Next year we need to look at doing it earlier on in the year! Photos will be on the website soon.

Dottie Our School Dog: Dottie has now had her hip surgery and is home recovering. The operation was slightly more complex but she should make a full recovery! She is definitely our super “bionic” dog now! In the meantime, we have Jess and Posie who will stand in for Dottie until she is fully recovered! Posie is a little bigger but still an amazing dog.

Congratulations!

Here's to another 6 years of fabulous children! Many thanks to all the staff who prepared the morning as well.

Cams Lane In The Community

Hollybank "Regenerational Project": On Thursday, we hosted an Afternoon tea in school for some of the residents from Hollybank. It was a lovely afternoon and our children were such superstars! The choir sang beautifully as always. Thank you to everyone who helped prepare the event. Photos will be on the website soon.

Selling of Homemade Cards and Crochet Flowers for Hollybank: These are now available from the school office – any donations hugely appreciated. See attached flier for more information.

HUGE THANKS

TC's have generously donated £200 per class to buy extra resources. This will come in very handy at a time when school budgets are very tight. Many thanks go to Mrs. J Rhodes and Mrs. M Rhodes

For Hollybank Care Home Radcliffe

Thank you, Cams Lane Primary School!

We would like to use this donation for purchasing headsets for the Home. A headset could help our residents in many ways: listening an audio book for a blind, specific music that can reduce anxiety and help with the overall wellbeing. Because of your generosity, we will have lots of happy times with music and audio entertainment. On behalf of Hollybank residents, a warm “Thank you!”.
