Robinwood June 2025

A letter has gone out for our current Year 5 to show an expression of interest for next year's residential trip to Robinwood.

Pebble Art and Hollybank "Regenerational Project": As part of our regenerational project with Hollybank Care home, we had invited some of the residents over to help decorate our pebbles. Unfortunately, they were unable to come due to residents being unwell. We still had artists from all classes and the FCL decorating our pebbles – they look amazing! See Photo Gallery! They will be going up onto the grass banking again at the front of school. We hope that we will be able to carry on with our other events over the next few weeks – Afternoon Tea and a Trip to the Park

UNICEF - "Rights Respecting Schools Award"

Article 29

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Keep sharing your amazing talents – we are very proud of you!

Congratulations!

Year 6 End of Year Trip – Huge Thanks: We are currently booking an end of year trip for the Year 6 – all because of an incredibly generous donation from a parent – thank you so very much!
15th July LaserQuest and Nandos – The trip will take place in school time. A letter has been texted to parents/carers & can be found on the school website. Please give your permission on Scopay.

Requests for Absence: We have had some requests from parents to authorise absences based on their child's good previous attendance records. Unfortunately, this has no bearing on whether the absence is authorised. There are strict criteria as to whether a request is authorised or unauthorised which we have to use as a school. Many thanks.

Pupil Voice Y4:

"I have lovely teachers and when I need, they are there to help me."

"My favourite lesson is English as we get to do loads of writing – I loved writing about our trip to LEGOLAND."
