Choir - Beacon Music Festival at Victoria Hall, Bolton: Many thanks to all the parents and staff who supported this event last Friday. The children in the choir were AMAZING!! They sounded and performed brilliantly on stage! They loved every minute of their singing with all the other schools as well. Their enthusiasm was infectious! Their behaviour was outstanding. Thank you so much to Miss Weall for all her hard work and dedication.

Edge Hill University Trip: Once again, we were able to take a small group of pupils with other Beacon Schools on a Maths Visit to Edge Hill University this week. They had an amazing day and thoroughly enjoyed themselves.

Pupil Subject Ambassadors: In Year 6, pupils are being selected to represent certain subjects and to have an overview of the subject across school. They will work with staff and pupils to give a pupil perspective. They have started by taking photos around school of the relevant subject displays. They love the new responsibilities.

Unicef - "Rights Respecting Schools Award": Many thanks again to Miss Weall who has worked very hard on nearly achieving our Bronze Award. We have worked with one of our fellow MAT school Whitefield Community who have recently achieved Gold. There are 42 rights for every child – or "articles" – these are now displayed around school. One example being Article 28 –

"Every child has the right to an education. Primary education must be free. Secondary education must be available for every child. Discipline in schools must respect children's dignity. Richer countries must help poorer countries achieve this".

Fire Service Visit: Year 3 were lucky enough to have a visit from the firefighters based at Bury. The children had a wonderful time exploring the workings of the fire engine and spraying the hoses! Photos are on the class page on the website.

Congratulations!

Requests for Absence

We have had some requests from parents to authorise absences based on their child's good previous attendance records. Unfortunately, this has no bearing on whether the absence is authorised. There are strict criteria as to whether a request is authorised or unauthorised which we have to use as a school. Many thanks.

Wheelchair Access

We currently have three children in wheelchairs – please make sure all access pathways and slopes are kept clear

In addition, please can children NOT walk along wall or climb up grass banks. Thank you

Pupil Voice Y4:

"I like History – we are learning how children's lives have changed – it is really surprising"

"In English, we are reading The Miraculous Journey of Edward Tulane – and it is absolutely amazing!"

FCL (Friends of Cams Lane)

We are looking forward to 'Break the Rules Day' and our Sports Festival. We are looking to plan a very special Golden Treat afternoon for the school with ice creams, inflatable and penalty shootout in the last week.

Please remember: Trip contributions - a reminder to please pay trip contributions via scopay a.s.a.p. Without enough donations, trips cannot go ahead.

Website: Remember you can find out a lot of information on the school website, from letters that are texted out to parents/carers. Upcoming events are on the School calendar and don't forget to check out the class pages to see what the children have been learning.
