Fun at the Farm

On Wednesday the farm came to Cams Lane. Little Barn Farm came to visit our Reception class for the morning. We had lots of furry four legged friends including a goat, a calf, two lambs and two rabbits. In the afternoon, all the other classes briefly visited the farm animals as well. There was great excitement amongst all the children and all the staff. In the morning, when setting up, Mrs Taylor helped hold the lead of the goat, but then very quickly found herself being taken on a walk by the very strong headed goat – he munched away at the luscious grass and bushes! The children loved the rabbits the best and couldn't stop cuddling them. See photos on tapestry and the website!

Bury Times Release

This was from the artists in the Market Hub from a several months ago – when the children were in Year 3. They look fabulous!

Unfortunately we have received a Complaint from the Community

We have had a report in the half term holiday that children from Cams Lane school have been trying to break in to the allotment site, situated on Homer Street/Osbourne Walk, opposite Coronation Park.

Their Chairperson was met with abuse and aggressive behaviour from children gathered at the allotment main gates. This is totally unacceptable as we do not have a culture of this behaviour in school. We have reinforced the message in school. Please can you also reinforce the message at home, as to how children should be behaving when out and about in our local school community.

Many thanks

The farm which came to school was really fun as we were able to pet the animals – my favourite animals were the rabbits.
