16th February 2024 Issue 20

We finish as normal time this Friday for half term for a week. We are then back in school on Monday 26th Feb.

We hope you have a restful and relaxing week off and enjoy the time with family and friends.

As a parent I know it is hard but do try to get out in the fresh air, visit places and avoid the dependence of children on phones, ipads & electronics all the time.

It can be as simple as wrap up warm and go for a walk.

We look forward to welcoming back Mrs cooper on a phased return after the holiday. Enjoy half term. Mrs Graves

Number Day and Number Week: We are launched a number project in KS1 last week together with our fellow Beacon schools. The children completed lots of tasks & activities culminating in a parent/child session on Friday morning which everyone thoroughly enjoyed! On Monday 8 children from Years 1 & 2 went to Woodbank primary school to meet up with pupils from the other schools and take part in some activities. See photos below.

Congratulations!

Attendance award: KS1: YR – 95.15% KS2: Y3– 98.33%

Parents that Lunch: It is the turn of Y3 on Tuesday, 12th March. Please see the letter on the website for more details.

World Book Day: We will be having a day of dressing up in children's favourite book characters. This is based on feedback from last year from parents.

However please do not feel you have to go out and pay lots of money on costumes – this is what we want to avoid especially in the time of increasing costs of living. Each child will get a £1 book voucher to redeem against the purchase of a book at participating retailers.

Scholastic Book Fair: We have the scholastic Book fair in school from Monday, 25th March until Thursday, 28th March. Parents/carers can

visit the fair each day between 3.15pm & 4pm. School gets commission for each book sold to redeem against new books for the library. Children **DO NOT** need to use their World book Day voucher at the fair, Scholastic is giving every child £1 of any book.

Pupil Voice Y6:

The Counselling & Family Centre, Bury: We know following the pandemic and post covid, many children and young people are struggling with their mental health and well-being and services are stretched to capacity. We have recently been able to secure some funding to provide no cost counselling to low income families where a child/children aged between 5-18 years may require help and support within the Bury locality. Please see the attached flyer for more information.
