At half time they were trailing behind 3-0 but made an impressive comeback in the second half scoring 3 goals, Evie 2 & Rosie 1. ## *A Few Useful Reminders*

**Website:** Remember you can find out a lot of information on the school website, from letters that are texted out to parents/carers. Upcoming events on the School calendar and don't forget to check out the class pages to see what the children have been learning.

**Water Bottles:** Please ensure bottles contain only water and not juice. Water bottles are accessible throughout the day to all children, and we have children with allergies to juice.

**Trainers:** should not be worn for school

**Long hair:** Please ensure it is tied back for school.

**Earrings** – Please remember that children cannot wear earrings for PE – they should either be taken out or covered over with micropore tape. Alternatively leave them at home on the days for PE

**PE kits** – Please ensure that their kit is in school on the correct day.

**Coats** - Please ensure that children have warm coats to wear in this winter weather - at the moment it is particularly cold. We still want children to enjoy the fresh air, but it is important that they are warm as well.

### **Parental Code of Conduct/Use of Social Media:**

Last term we had a few instances of negative use of social media from parents.

It says in our Parental Code of Conduct that:

**In order to support a peaceful and safe school environment the school does not tolerate:** Defamatory, offensive, or derogatory comments about the school or any of the pupils/parents/staff at the school on Facebook or other social media sites or discussing school issues/concerns online.

If you have any issues about school and your child, please arrange a meeting to discuss the matter in person or a telephone call with Mrs Graves – rather than “sounding off” on social media

platforms. When this happens on social media, a balanced view is NOT put across and other views/opinions then become involved.
