3rd November 2023 Issue 8

We hope you have had a good half term and also a happy Halloween. Hope it was a successful night Trick 'n' Treating! As the clocks have now gone back, please remember that the afternoons get darker a lot quicker. Also, please remember to wear a suitable coat to school.

Parents Evening: These are 5-minute appointments to have a chat to your child's teacher to see how they have settled in. Appointments can be made on SCOPAY. You will also receive a Pupil Feedback form before the evening. Longer appointments will take place next year.

Christmas Nativity performance from our Reception Class: We are having a special Reception Nativity performance this year on Thursday 14th Dec at 3.30pm. this will be separate from the Y1 and Y2 Nativity on the Tuesday 12th 2pm and Wednesday 13th 6pm

Parent View: Please don't forget that as well as our annual Parent Questionnaire in December, there is always Parent View through Ofsted which you can complete questionnaires on and leave comments. Please go to: parentview.ofsted.gov.uk

Social Media Issues : We have recently had several issues with friendships and falling out – all stemmed from social media especially WhatsApp. We then have to deal with the fallout of this in school. We have had some very upset children recently.

Can we please remind parents that online safety is crucial and there is a legal age for children to go on WhatsApp and it is 16 years old. So therefore, no children of primary age should be allowed to have a WhatsApp account.

Pupil Voice Y4:

"We get to learn new things and my favourite lesson is Art."

"It's fun at Cams Lane because I love the learning in Y4."

Congratulations!

A Few Useful Reminders

Website: Remember you can find out a lot of information on the school website, from letters that are texted out to parents/carers. Upcoming events on the School calendar and don't forget to check out the class pages to see what the children have been learning.

Water Bottles: Please ensure bottles contain only water and not juice. Water bottles are accessible throughout the day to all children and we have children with allergies to juice.

Trainers: should not be worn for school

Long hair: please ensure it is tied back for school

Earrings – Please remember that children cannot wear earrings for PE – they should either be taken out or covered over with micropore tape. Alternatively leave them at home on the days for PE

PE kits – please ensure that their kit is in school on the correct day

Any issues in school: A reminder that if any parents have issues regarding their child or with school please do come in to see us or send in a polite email for our attention. We urge you to do this, rather than air your grievances on any social media platform. This is in line with the schools Parental Code of Conduct. One of the dangers of social media, is that it spreads and so easily becomes gossip. We appreciate your compliance with this. Thank you

Playground Equipment: Please remember that at the start of the day and the end of the day – children are not to go on the playground equipment. Children have been reminded in class. Also, please ensure younger siblings do not go on it as well. We would not want accidents to happen as the children are not supervised. Thank you

Uniforms: Please ensure all parts of your child's uniform has their name in it. If it gets left in school, it is much easier to return it to the right child if it has a name label in it. Thank you.

Coats: Due to the ever-changeable weather and torrential rain at the moment please ensure that all children bring a coat to school. Thank you
