20th October 2023 Issue 7

We cannot believe that this half term has gone so quickly – it has been a very busy one. We hope you and your families can have a restful week and enjoy the autumnal weather. Its great getting outside and going for a walk in all the leaves!

Harvest Assembly: Thank you for everyone's generous donations of gifts to Porch Boxes.

Once again the Cams Lane Community has pulled together for those less fortunate.

Parents Evening: These are 5-minute appointments to have a chat to your child's teacher to see how they have settled in. Appointments can now be made on SCOPAY – this has now gone live. You will also receive a Pupil Feedback form before the evening. Longer appointments will take place next year.

Reception Class Library Trip: Reception class had their first trip out to the local Library – looking at all the different books. Thank you to all the helpers who assisted the walk to and back again safely. The children were worn out when they got back!

Golden Treat for Good to be Green : This week the children have been busy having their half termly Golden Treats ranging from Disney Art classes & Autumnal Crafts to Halloween Treats!

Congratulations!

Golden Book Award: YR: Scarlett Y1: Phoebe Y2: Bella

Y3: Milan Y4: Lottie Y5: Raya Y6: Toby

Lunchtime Award: Y2: Joel Y5: Oscar

Autumn Term 1 Lunchtime Award Class Winners: Year 3

Attendance award: KS1: Y2 – 93.79% KS2: Y5 – 93.46%

Peer to Peer Review: This week we had three colleagues from Woodbank and Ribble Drive Primary schools – schools from the Beacon Alliance – and also from our MAT - visiting school this week. They carried out a Peer to Peer review. They commented how amazing our children were and how warm and friendly the school was. They have been very supportive and gave us further ideas on how to improve areas from our School Improvement Plan

Parent View: Please don't forget that as well as our annual Parent Questionnaire in December, there is always Parent View through Ofsted which you can complete questionnaires on and leave comments. Please go to: parentview.ofsted.gov.uk

Social Media Issues : We have recently had several issues with friendships and falling out – all stemmed from social media especially WhatsApp. We then have to deal with the fallout of this in school. We have had some very upset children recently.

Can we please remind parents that online safety is crucial and there is a legal age for children to go on WhatsApp and it is 16 years old. So therefore, no children of primary age should be allowed to have a WhatsApp account.

Pupil Voice Y4:

“School is amazing!”

“ We learn fun things”

Uniforms: Please ensure all parts of your child's uniform has their name in it. If it gets left in school, it is much easier to return it to the right child if it has a name label in it. Thank you.

Coats: Due to the ever-changeable weather and torrential rain at the moment please ensure that all children bring a coat to school. Thank you

Silly Spoons Competition Don't forget to return your silly spoon with your £1 on Tuesday 31st October

A Few Useful Reminders

Website: Remember you can find out a lot of information on the school website, from letters that are texted out to parents/carers. Upcoming events on the School calendar and don't forget to check out the class pages to see what the children have been learning.

Water Bottles: Please ensure bottles contain only water and not juice. Water bottles are accessible throughout the day to all children and we have children with allergies to juice.

Trainers: should not be worn for school

Long hair: please ensure it is tied back for school

Earrings – Please remember that children cannot wear earrings for PE – they should either be taken out or covered over with micropore tape. Alternatively leave them at home on the days for PE

PE kits – please ensure that their kit is in school on the correct day

Any issues in school: A reminder that if any parents have issues regarding their child or with school please do come in to see us or send in a polite email for our attention. We urge you to do this, rather than air your grievances on any social media platform. This is in line with the schools Parental Code of Conduct. One of the dangers of social media, is that it spreads and so easily becomes gossip. We appreciate your compliance with this. Thank you

Playground Equipment: Please remember that at the start of the day and the end of the day – children are not to go on the playground equipment. Children have been reminded in class. Also, please ensure younger siblings do not go on it as well. We would not want accidents to happen as the children are not supervised. Thank you
