A Few Useful Reminders

Website: Remember you can find out a lot of information on the school website, from letters that are texted out to parents/carers. Upcoming events on the School calendar and don't forget to check out the class pages to see what the children have been learning.

Water Bottles: Please ensure bottles contain only water and not juice. Water bottles are accessible throughout the day to all children and we have children with allergies to juice.

Trainers: should not be worn for school

Long hair: please ensure it is tied back for school

Earrings – Please remember that children cannot wear earrings for PE – they should either be taken out or covered over with micropore tape. Alternatively leave them at home on the days for PE

PE kits – please ensure that their kit is in school on the correct day

Any issues in school: A reminder that if any parents have issues regarding their child or with school please do come in to see us or send in a polite email for our attention. We urge you to do this, rather than air your grievances on any social media platform. This is in line with the schools Parental Code of Conduct. One of the dangers of social media, is that it spreads and so easily becomes gossip. We appreciate your compliance with this. Thank you

Playground Equipment: Please remember that at the start of the day and the end of the day – children are not to go on the playground equipment. Children have been reminded in class. Also, please ensure younger siblings do not go on it as well. We would not want accidents to happen as the children are not supervised. Thank you
