Welcome back

It has been lovely to visit the classes this week and to see the great work they have started on. Also, the Reception children have been settling in well on their half days this week. They have been busy in the sand and water every time I have been down there. They start in full time as from Monday.

Asthma: If your child has asthma please ensure the school office knows and that they have an up to date inhaler which is in date in school.

Free School Meals (FSM): After universal free school meals, you may need to apply for salary linked **free school meals**. This enables us to get a grant in school to help children. Please contact the school office for more information.

Playground Equipment: Please remember that at the start of the day and the end of the day – children are not to go on the playground equipment. Children have been reminded in class. Also, please ensure younger siblings do not go on it as well. We would not want accidents to happen as the children are not supervised. Thank you

Congratulations!

Phonics: We are now into our second year of using a new phonics scheme called Little Wandle. We are linked to an English Hub in Rochdale who are supporting us once again this year to help further improve children phonic ability and also their reading ability. It also links to the children's love for reading. We were very pleased with our Phonic Screening check results in Y1 – it shows that the Little Wandle scheme is effective and of course all the hard work of our staff.

National Read a Book Day: Our first day back on Wednesday was National Read a Book Day. Children were busy reading books in different places and also making book marks, and talking about favourite authors.

Friends Of Cams Lane

Summer Fair: Unfortunately, due to unforeseen circumstances we will now not be able to have our postponed Summer fair. We will now concentrate on planning fun events for Halloween and Christmas.
