Inspire Believe Learn

Welcome to the Spring Term!

I hope you had an excellent half term holiday. We cannot wait to welcome your child back and make a start on our new units for this term. You will find the units we are covering on our Spring one curriculum map, also added to our class page. Below are just a few examples.

I am looking forward to the new art topic called 'Colour Splash' where the children will learn all about primary and secondary colours. We cover artists such as Clarice Cliff and Jasper Johns.

We also have a very exciting geography topic called 'What is the weather like in the UK?' In this unit we will be looking at the seven continents of the world, the four countries in the United Kingdom, some map work and more.

Do not forget to have a look on Tapestry for more photographs and updates regarding Year 1 and your child. We welcome and value your posts to share their learning and experiences outside of school.

Thank you for your continued support in their weekly reading with your child and helping them to complete their homework.

Kind Regards

Miss Partington
