In Memory of Hannah Fryett

After her funeral service on Tuesday which was attended by so many family, friends and people who knew her, it was shared that if anyone would like to make donations to Bury Hospice -this would be very much appreciated.

The Collective Community Trust: We will soon be coming up to our first birthday of being part of our trust – time has flown! It has been a busy time but an exciting and challenging one as well. The schools have continued to work very well together and collaboratively in many ways. Soon we will be working with Woodbank for an art project with the children – watch this space Mrs Kelly Macadam CEO visits our school termly and visits for special events – she will be coming to the Year 1 Parents that lunch
The Child Friendly Safeguarding poster competition was won by pupil at Heaton Park - but thank you for the entries from our School Council members

After February Half Term: Week commencing 24th February, I will be starting my two days (Thursday and Friday) as Executive Head at Whitefield Primary School as part of the Trust – see previous letter
Please be rest assured I will still actively be Cams Lane Headteacher, and I will always be contactable at any time for Cams Lane pupils and families.

Cams Lane Website: Take a look at the new class pages! Lots of great photos!
Also, as well as just a September Welcome letter – there will also be a spring and summer letter from your child class teacher.

Congratulations!

Asda Foundation Grant - £2000 awarded!

We had some exciting news just before Christmas that Friends of Cams Lane were successful in securing a £2000 grant from the Asda Foundation Grant through their Grassroots Grant scheme. The funds will help us improve the outdoor provision in the infant's playground, so we look forward to sharing updates with you as we begin work on the project. With special thanks to Community Champion Tammie Wakefield at Asda Radcliffe and Beth Dighton, Miss Partington, Mrs Hardman and Mrs Taylor for their work on the bid.

In Partnership with Edgehill University: After half term we will be having a final placement student teacher starting with us working with Miss Weall in Year 2. More details will follow after half term

Sean Perkins – Author Visit: The children thoroughly enjoyed listening to his new story “Oscar and Ben The Sleepover”
Order forms have been sent home to Reception & years 1-3 to order his new books – forms are due back in school by next Tuesday.

Good Manners: We are having a real push on pupils using good manners at the moment and being rewarded with Spotted tickets. We are encouraging all children to say Please and Thank you and Good Morning. It has been lovely to see how hard all the children are trying.

Pupil Voice Y4:

“I like that we bring in new things such as promoting good Manners using the Spotted tickets.”

“I like how in most lessons we learn something new. In Art we have been cutting, sticking, colouring, painting in black ready for next week to scratch away our design.”

PE Kits: Please ensure a full PE indoor and outdoor kit are in school
However when temperatures fall below freezing all PE lessons will be indoors.

Uniform/Footwear: Please remember that school shoes should be worn and NOT trainers. If alternative footwear needs to be worn for a short period of time, please send in an email or letter.

Colder Weather: Please ensure your children are coming to school in the appropriate outer wear as the temperatures outside are dropping below freezing on some days

Mental Health Week: W/C 3rd February: We have a new MHST nurse working with us called Nicole – whilst Amelia is on Maternity Leave.
