Inspire Believe Learn

Welcome back and happy New Year! I hope you had a wonderful break and managed to relax.

In Year 5, we are looking forward to a busy term, filled with lots of fun and creative work, if you want to know more about what we are doing in each subject this term have a look at the Summer curriculum map on the Year 5 page. This term I am looking forward to creating a piece of art based of the portraits of people such as Vincent Van Gogh, Freda Kahlo and many more. I am also looking forward to seeing you at Parents at lunch, where we will be creating a device called a 'Doodle Bug'.

This term, Year 5 have also have an exciting trip planned, which will very interesting and a nice change to the curriculum, the children will be visiting the Imperial war museum, where they will be having a look at the World Wars and other conflicts that have happened around the world.

I would also like to thank you all for your support with helping the children learn their spellings weekly. I hope we can continue this support with the new set of spelling, which have been sent home.

If there are any issues your child faces throughout this term, then please encourage them to come speak to me first, so we can find a solution as soon as possible. If the issue persists then please come in and see me as we can discuss the issue. Should the issue still occur then you can go speak to Mrs Statham.

Thank you for your support,

Mr Driscoll.
