Inspire Believe Learn

12th May 2025

Welcome to the Spring Term

I hope you had an excellent holiday and your child is looking working hard in this new term.

We will be completing lots of enjoyable work this half term as can be seen in the new curriculum maps. In art we are collaborating with another school from the trust to complete art based on our school. We will be sharing the outcomes with each school. In history we will be looking closely at the Vikings and asking the question where they raiders, settlers or traders?

The school trip to Woodend farm to learn about how a modern farm works, was a great success. They learnt about many animals such as pigs, sheep and alpacas. I will be putting some photographs on the website, so keep an eye out for these.

I am looking forward to parents at lunch happening after the next half term. The children will give you a flavour of some of the work we have completed this year. The children are excited about this event and want to show you so much. May have a problem fitting it all in within the half hour slot.

Many thanks for your support,

Mr. Coleman.
