## Attendance of Y6 Girls

As you know we always monitor the attendance of all classes and all groups each week and each half term

After analysis, we are most concerned with the attendance of our year 6 Girls. It is especially concerning that this is their last year and they have lots of hard work and preparation to do ready for High School

The data for Autumn 1 is as follows:

14% Persistently absent

57.1% At Risk of Persistently absent

14.3% Good attendance

14.3 % Excellent attendance

**Persist absence (PA)** is categorised at being below 90% and is deemed serious in the loss of learning they have missed at school. Letters have already been sent to these children's parents.

We are fully aware that children can be poorly and we don't want them in school unless they are well. But please be aware of the implications of keeping your child off unnecessarily

Our pastoral and inclusion team – Miss Lancaster (Attendance Lead) and myself will be monitoring the % over the rest of this term very carefully

Thank you and well done to those children with excellent attendance.

We appreciate your support – please get in touch if we can help you in any way

Kind regards

Mrs Statham
