

Sport Premium 2023-2024

At Cams Lane, we are fully committed to promoting sports and healthy lifestyles, ensuring that each and every child is able to access a varied range of sporting activities, both in school time, lunchtimes and after school.

What is the Sports Premium?

The government has made available funding to provide primary school sports. The funding goes directly into school budgets to spend on improving the quality of sport and PE (not including covering teachers PPA time).

For this academic year we have approx. **£17,000** to spend on improving the PE, Sport and Games provision which is made in two payments through the year.

Purpose of the funding

The money is being given to schools to help them to make sustainable improvements to the provision of PE sessions and sport enrichment. Schools are then given the choice on what to spend it on.

How are we spending our money?

We have allocated the money as follows:

£4000	Radcliffe Borough FC <ul style="list-style-type: none">• Training Football team after school Y5/6• After school Football skills Y3/4• Three dinner time sessions with KS2 children
£9900	SC Cowling Company <ul style="list-style-type: none">• EYFS PE sessions with staff CPD - two 30 min sessions• Afterschool clubs Multisports KS2 and KS1• Sports Day Events
£1400	Staffing costs to support Afterschool clubs and events such as the Football Team
£600	KS2 markings for netball court
£1000	KS1/EYFS new playground markings
£100	Transport costs for Football team

How will we monitor the impact?

- Feedback from coaches
- Numbers and range of children attending after school clubs

- School competing successfully in sports competitions
- Monitoring from Sports Subject Leader
- Drop In's from Headteacher
- Pupil Voice Questionnaires - positive attitudes towards sports and fitness
