Inspire Believe Learn

Dear parent/carers,

We would like to open up more opportunities in our After School Clubs for our children in receipt of Pupil Premium Grant – mostly those on Free School meals (income based not universal free school meals).

For the last two terms only 30% of the Pupil Premium children have accessed the After School club.

As a school we want to make sure we are doing everything we can to allow as many different opportunities as possible for children – who may not normally be able to access them.

Firstly, we would like some feedback – as to what After School Clubs you would like to see more of at Cams Lane.

Currently we have run the following at some point through the year:

Lego, Hoola-Hooping, Gardening, Dance, Book Club, Multi Sports, Construction, Art & Craft, Drama, Football & Netball

If there is a club, you would really like to see – please message back into school and feedback to us – we greatly appreciate your opinions.

Secondly – we would like to open up further spaces in our current clubs – so even if the club may say it is full we would like to open up some designated spaces for child in receipt of Pupil Premium

Going forward, if it is a paid activity such as the sports clubs led by coaches e.g. Dance, Multi Sports or Football– we can offer **a 50% discount** on the cost for children in receipt of a Pupil Premium grant

Please do get in touch and we hope to offer further opportunities in our range of clubs and in the spaces in our clubs

Look forward to hearing from you

Mrs. Statham

Head Teacher
